

A spectacular space in Zaha Hadid's sweeping creation at 520 West 28th Street, on the best street in the new West Chelsea; close to Hudson Yards and millions of potential art buyers. This space has a 20' ceiling opening to an oculus, rendering the art visible from the High Line.

- 5,400 SF (502 m2) of elegant gallery space at the base of the "Zaha Hadid 520 West 28th" building, adjacent to the lobby
- Abundant natural light with side oculus
- Ceilings are almost 10' to over 12' throughout, with towering 20' ceilings in the atrium
- Concrete floors with few columns
- Adjacent to the West 28th Street High Line entry
- Next to the High Line Nine Galleria
- Landlord contribution negotiable
- Expected delivery in late Spring 2017
